NETAFIM USA INTRODUCES SLIMLINE EZ CLOSE™ WEIGHT Featuring a New Slim-Shaped Weight With Quick Close-Off Feature

Fresno, CA – Netafim USA, the industry leading manufacturer of drip/micro irrigation systems, has introduced a new slim-shaped weight that makes watering hanging baskets EZier – the SlimLine EZ Close™ Weight. It's slim, streamlined shape is easy to withdraw from all types of plants without damaging the plant and the weight is heavier for secure placement in the basket. Closing off the dripper is quick and easy with our one handed, quick close-off feature. At a glance, it's easy to see if the dripper is open or closed.

Additional features:

- Securely Attaches to Polyethylene (PE) Tubing
Barbed end secures tightly preventing accidental detachment of the weight
- UV Stabilized Body
No raw metal in contact with the water and an easily visible white color

The SlimLine EZ Close™ Weight is proven to operate reliably with any soil mix and with vining or aggressive rooting plants.

Awarded **ISO 9001:2000 Certification** by the International Organization for Standardization – Netafim USA is the largest growing division of the Netafim International Group, the pioneer of micro-irrigation technology. With over 43 years in the irrigation industry and global expertise in more than 120 countries, Netafim offers a full-line of products for a variety of markets including agriculture, landscape, greenhouse, nursery, mining and wastewater. Netafim USA is headquartered in Fresno, California.
