

NETAFIM USA PRODUCT UPDATE

JULY 2010

AQUANET PRODUCTS TO BE DISCONTINUED INCLUDES AQUANET VALVES AND AQUANET VALVES WITH INSTALLED AQUA PRO CONTROLLERS

Effective immediately, Netafim will discontinue Aquanet Valves and Aquanet Valves with installed Aqua Pro Controllers. Any open orders will be cancelled and new orders will not be accepted. New and unused dealer inventory may be returned for credit - contact Netafim Customer Service.

All repair and replacement parts as well as accessories for these products will continue to be available. Netafim will continue to provide warranty coverage for defective Aquanet Valves and Aquanet Valves with installed Aqua Pro Controllers through the one year warranty period as per our printed warranty policy. After January 31, 2012, no further warranty claims will be accepted for review.

This discontinuation does not affect the availability of:

- Aqua Pro Single Valve Controllers
(Model Number: AP-Controller or AP-Controller-P3)
- Aqua Tive Solenoids
(Model Number: 61AQTVC or 61AQTVDCL)

The chart below lists the Model Numbers of the discontinued products which are currently identified in the Netafim Landscape & Turf and Greenhouse & Nursery Price Lists. For additional questions or assistance, contact your Netafim USA District Sales Manager.

DISCONTINUED PRODUCTS
